Additionally, the Rail 2 Rail program will be suspended from Friday, September 3 - Tuesday, September 7, resuming Wednesday, September 8, 2021. During this time monthly Metrolink and COASTER passes will not be accepted onboard Pacific Surfliner trains.

Amtrak monthly and 10-ride passes may still be used. However, multi-ride ticket holders will be required to confirm each trip (train and date) through the Amtrak RideReserve program on Amtrak.com, the Amtrak app, or an Amtrak agent prior to traveling during the reservation period; thus, ensuring travelers have the safest and most comfortable journey possible.

Passengers are encouraged to follow safety measures and any important public health orders in place during their trip and at their destination. This includes wearing a mask at stations and onboard trains at all times, washing hands or using sanitizer often, and staying home if they are feeling sick. Per federal law and Amtrak policy, all customers and employees must wear a face mask or covering that fully covers the entire mouth and nose, fits snugly against the side of the face, and secures under the chin at all times while onboard and in stations.
