Amtrak has been upgrading technology, fleet, stations and processes to make travel as seamless and safe as possible. To simplify and safeguard the travel experience, several cleaning, contact-free and convenience measures have been implemented into every part of the customer journey, including:

- Per federal law and Amtrak policy, all customers and employees must wear a face mask or covering that fully covers the entire mouth and nose, fits snugly against the side of the face, and secures under the chin at all times while onboard and in stations. For more information, visit: amtrak.com/coronavirus.
- Customers should not travel when experiencing [COVID-19 symptoms](#) or when they meet public [health criteria for quarantine](#).
- Passengers are encouraged to be aware of local regulations and public health directives prior to traveling to any destination.

To book tickets or view schedules, customers can visit Amtrak.com, use our free mobile app, speak with station personnel or call/text Amtrak at 800-USA-RAIL (800-872-7245).

For 50 years, Amtrak has connected America and transformed transportation by modernizing train travel and building for the future.
